On 10/07/15 at about 0124 hours, I was dispatched to a collision report located at 11833 34th ST NE, in the City of Lake Stevens. SNOPAC advised that a black in color firebird had hit a vehicle and ran. While enroute SNOPAC advised that the fleeing vehicle was last seen southbound from the location on 119th toward Walker Hill RD. SNOPAC advised that the reporting party's husband's vehicle was hit and that the suspect pulled over and then fled. SNOPAC advised that the RP's husband had left with the neighbor to check the area.

While still enroute SNOPAC advised that a different RP identified as Timothy Orr was calling stating that he located the suspect vehicle parked at a house by the Lutheran Church and the vehicle was on 26th ST NE. While driving in the 2600 BLK of 117th AVE NE I could smell what I believed to be was burnt tires. I could see tire drag marks on 117th AVE NE. Officer Hingtgen located the suspect vehicle parked at 11514 26th ST NE. The vehicle was unoccupied and there was a female outside.

I contacted the original RP Andrea Orr at 11833 34th ST NE. I observed a beige in color Toyota 4runner parked on the north side of 34th ST NE facing westbound in front of 11833 34th ST NE. This vehicle had an attached Washington State vehicle license plate of AOA1557 and this vehicle was registered to Timothy Orr. I observed damage to the front driver tire and down the driver side of the vehicle. The front driver side tire was flat and the rim was broken. I observed skid marks going behind the parked vehicle and stopping next to the curb and in front of a basketball hoop.

Andrea said that Timothy and she were in bed and they heard a large crashing sound. Andrea said that when they looked out front they observed a dark color firebird style vehicle parked behind their vehicle and the engine was reeving. Andrea said that the vehicle then drove eastbound and it sounded like it was dragging something. I took digital photos of the vehicle and scene.

The RO of the vehicle Timothy Orr arrived onscene with the neighbor Jeffery Pedersen. Timothy gave me the same statement that Andrea gave about waking up to the sound of the crash and looking outside at the suspect vehicle. The neighbor Jeffery stated that he was woken up to the sound of the crash and when he came outside he observed a dark in color firebird fleeing down the street. Jeffery and Timothy followed the tire marks from the crash scene to where they located the suspect vehicle at 11514 26th ST NE.

When I arrived onscene at 11514 26th ST NE, there was a female siting on Officer Hingtgen's push bars on his patrol vehicle. The female was identified as Jamie L. Heather (DOB 10/25/86). The suspect vehicle had an attached Washington State vehicle license plate of ATL7955. This vehicle belongs to Ryan P. Shane (DOB 04/27/84). The vehicle had a damage to the front driver side of the vehicle and the driver side of the vehicle. The front driver tire was sitting sideways and the vehicle's tracks from the road matched up with the tracks leading to the vehicle in the gravel driveway.

I took digital photos of the vehicle. The front driver seat was moved close to the steering wheel. I could see a pair of high heel shoes on the driver floor board. Jamie who is dating Ryan stated that she had driven earlier in the night and Ryan had driven them home. Jamie said that she was

sleeping and woken up when the vehicle collided into something. Jamie said that when she woke up, the vehicle was stopped next to a curb and there was a basketball hoop in front of them. Jamie said that she looked at Ryan and he stated that he fell asleep and hit a car. Jamie was currently wearing shoes and appeared to be under the influence of something based on her slurred speech. Jamie said that Ryan was hiding in the garage and he would not come out. We tried to get Ryan to exit the garage but he would not. There was a pad lock on the outside of a sliding glass door that leads to the garage and it was unlocked. The sliding glass door was locked from the inside. Jamie provided Officer Hingtgen a written statement.

I received a written statement from Timothy, Andrea and Jeffery. I currently do not have enough evidence to charge Ryan and or Jamie with Hit & Run. I cleared the call at 0232 hours.

I filled out a Sector Collision Report.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT I HAVE ISSUED THIS ON THE DATE AND AT THE LOCATION ABOVE, THAT I HAVE PROBABLE CAUSE TO BELIEVE THE ABOVE NAMED PERSON COMMITTED THE ABOVE OFFENSE(S), AND I AM ENTERING MY AUTHORIZED USER ID AND PASSWORD TO AUTHENTICATE IT.

I woke up around 1:30 am with a loud BANG sound. My wife and I looked out the front window and saw a car parked in front of our neighbor's house (just east of our place). There was a person outside of the car doing something to the car. I went to put on a jacket to go outside when my neighbor ~~knocked~~ knocked on my door. He told me that the person just hit my car and took off. He invited me to go with him to see if we can find him. We followed a skid mark on the road from the accident to a house on 26th ST NE (11510) I think. There was a dark green pontiac firebird parked there where the skid mark stopped with a tarp hanging off the back. Officers arrived at that time while I finished the 911 call.
